PHOTO SHOW IN THE ROUND BARN

February 19, 2018

Dear Photographers,

The GMCC is proud to announce that the Photo Show has found a new home with Valley Arts VT. After nearly 30 years at the Round Barn in Waitsfield, the annual Photo Show will be moving to the Galleries in the Big Red Barn at Lareau Farm.

The recent renovations there make the space a wonderfully appealing exhibition venue and Valley Arts has been making improvements to the lighting, so we feel the quality of the presentation will be maintained.

We are especially happy about this transition as it provides an element of sustainability into the future. In addition, we expect that the location of the Big Red Barn will generate increased foot traffic through the show. Recent exhibits presented in the Big Red Barn have had a healthy history of sales and we anticipate the Photo Show will benefit from this new venue.

The Photo Show will now be one of Valley Arts' premier events during the new and exciting Barns and Bridges Festival. The Show will open on Friday, September 14, and continue through fall foliage, ending Sunday, October 7.

Pam, Julie and the GMCC board extend a huge thank you to the Round Barn owners and staff who have generously supported the Show for so many years. We also wish to thank the patrons, the many volunteers and especially you photographers who have made the Show the success that it is. We look forward to your continuing participation in this new chapter of the Photo Show!

Sincerely,

Pam Lerner & Julie Parker
